Dear Patient

You may be aware that the Department of Health has recommended that all persons over the age of 65 be offered a flu vaccination again this year.

The Doctors at this practice strongly support this advice and the attached leaflet should answer any questions you may have regarding the flu vaccination.

After the success of our event last year at **The Family Life Centre Community Church, Ash Street, Southport,** we are offering the same venue for the convenience of our patients. You will be offered your flu vaccination as well as:

- Free tea, coffee and fruit
 - Energy efficiency advice
 - Benefits and fuel payment advice
- Advice about medicines and the management of medicines
“Stay warm and well in winter” advice
Advice from Mersey Fire Brigade and Police

The clinics will be held at the Family Life Centre on Thursday 8th October and Friday 9th October

The times of the clinic sessions are listed below and for your comfort you are invited to attend the session that applies to the first letter of your **surname**.

Thursday 8th October	9.15 am to 11.00am	11.00am to 12 noon	12 noon – 1pm	1.30pm to 3.30pm	3.30pm to 5.00pm
	A - D	E - H	I - M	N - S	T- Z Drop in

Friday 9th October	9.15am to 12 noon
	Drop in clinic

If you have any queries about the above, please contact the practice.

There is also a vaccine to protect you against pneumonia and the complications this illness can cause. If you have NOT had this vaccine in the past then you can contact the surgery to arrange for this to be done. (the vaccine is usually needed only once – not yearly.

Yours sincerely

Sue Critchlow
