## **Patient Options form**

NAME DOB				
GP Clinical Systems have the ability to share electronic data about you with other clinical services. By completing this form you can decide if you want to take part in sharing of data with other health care bodies.				
Local Data Sharing Local services such as District Nurses, Community Matrons, 7 Day Access Service, an services.	d some hospital			
I am happy for clinicians who look after my care outside of my GP practice to ask me for permission to access an up to date version of my personal record				
I am <u>not</u> happy for clinicians outside my GP practice to access my personal record				
Summary Care Record  If you are registered with a GP practice in England your SCR is created automatically, unless you have opted out  A snapshot of your Medication, Allergies and any Medicines that may react with each other, are made available with your permission to the clinician looking after you at that time.  https://digital.nhs.uk/services/summary-care-records-scr				
I am happy for clinicians who can access a view to my current medication, allergies, adverse reactions and additional information via Summary Care Record				
I am <u>not</u> happy for clinicians outside my GP practice to access my current medications, allergies, adverse reactions and additional information via Summary Care Record				
You can choose whether your confidential patient information is used for research and planning. To find out more visit <a href="https://www.nhs.uk/your-nhs-data-matters">nhs.uk/your-nhs-data-matters</a> . You do not need to do anything if you are happy about how your confidential patient information is used. You can change your choice at any time.  Previously you could tell your GP surgery if you did not NHS Digital, to share confidential patient information that they collect from the across the health and care service for purposes other than your individual care. This was called a type 2 opt-out. From 25 May 2018 the type 2 opt-out has been replaced by the national data opt-out. Type 2 opt-outs that have been recorded previously have been automatically converted to national data opt-outs.  Patients now must <a href="mailto:personally">personally</a> opt out if they do not wish to share this anonymised information. <a href="https://www.nhs.uk/your-nhs-data-matters/manage-your-choice/">https://www.nhs.uk/your-nhs-data-matters/manage-your-choice/</a> To my GP Practice:
